Roy W. P. Reed : Dottoo Dots Holiday Collection: 43 Christmas, Valentine's Day, and Halloween Dot to Dot Puzzles With a Twist before purchasing it in order to gauge whether or not it would be worth my time, and all praised Dottoo Dots Holiday Collection: 43 Christmas, Valentine's Day, and Halloween Dot to Dot Puzzles With a Twist:

Dottoo Dots Holiday Collection contains 43 holiday themed dot to dot puzzles with a twist. First, the puzzles are solved by skipcounting by 1s, 2s, 3s, 4s, 5s, 6s, 7s, 8s, 9s, and 10s. Second, each puzzle has extra numbers, making them even more challenging. Follow the skipcount pattern, or the picture won't turn out. There are Christmas,

Halloween, and Valentine's Day puzzles. Solve the witch, vampire, monster, ghost, and black cat. Find the wreath, the candle, and the cup of hot chocolate. Make the doily, the teddy bear, the candy box, and the rose. Grown-up Puzzlers will enjoy the mental challenge of completing these intricate images and designs. Be creative and brain fit. Educators and students can use them to learn about number, pattern, and mental addition. These puzzles are appropriate for 8 years and up. Each puzzle is printed on its own page, so they can be coloured once solved.

About the Author Roy W. P. Reed is an artist and educator with 20 years experience teaching primary school. He has developed several educational resources and has been an Ontario Association of Mathematics Educators presenter. Erin Reed is Roy's sister, a creative artist and designer in her own right.
