**James Percelay, Stephan Dweck, Monteria Ivey : Double Snaps** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Double Snaps:

0 of 0 people found the following review helpful. Nostalgia! By Melissa Most families sit together and read classic literature. My family sat around and read Double Snaps when I was a kid. Do you have any idea how excited I was when I found this book?! I started reading them to my mom and my sister after I found it again and we had laughed like crazy. 0 of 0 people found the following review helpful. Had to buy it again after Mom confiscated my first copy (20 years ago!) By K. Evans Not as great as the first one, but still hilarious. I may or may not have gotten detention after my teacher heard my friends and I exchanging "yo mamma" jokes at lunch. My mom also did not find it too funny when my brother and I would repeat jokes at the dinner table because she "is our momma!," hence the need to buy a new copy. Eventually, I made a false bottom in my book shelf for all my raunchy jokes books and parental advisory cds. Ah, the memories. 0 of 0 people found the following review helpful. Great book! brings back childhood memories. By riverside Great book ! brings back childhood memories.

Double Warning. Even more explicit snaps than in the first book. Definitely not for the easily offended. Your mother is so hairy, you could sell her as a Chia Pet. Your father is so stupid, he saw a sign that said wet floor, so he took a piss. Your sister is so nasty, she has more clap than an auditorium. Your mother is so fat, she can do the wave by herself. Your mother is so fat, when she goes to the beach kids yell, "Free Willy! Free Willy!" You're so ugly, your

parents rent out your baby videos for horror films. You're so White, you think Malcolm X's name is Malcolm the tenth. Your mother's breath is so bad, she sucks on Odor-Eaters.

About the AuthorSnaps creator James Percelay is a former television development executive at Hearst Entertainment and film producer at Saturday Night Live. He is the executive producer of Snaps the Movie and is developing a comedy series with Fox.
