**Fred Willard : Down on Ponce** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Down on Ponce:

0 of 0 people found the following review helpful. Good read By BuzzMan1969A good entertaining book with interesting characters. Elmore Leonard type book. I enjoyed it, although it seemed to drag a little towards the end. 2 of 2 people found the following review helpful. Quirky but hard as nails By Louise G : "yankee" "DOWN ON PONCE" grabbed me from page one and did not let go until the end. The characters are, well, different. Not your usual set of

bad guys, or should I say, losers? Actually, they aren't really without-reason-bad, just pay-back-bad. These guys and the characters they run into will have you laughing while saying OUCH! The plot runs fast and twisty and the end is as one would hope for. As one would dream for. But if violence, even with laughs, isn't your game, well, better luck elsewhere. 0 of 0 people found the following review helpful. Four Stars By Nancy Baggett Very good book about early years on Poncedeleon.

This cracker-noir crime novel follows a crew of eccentric career criminals as they take down a powerful group of money launderers in Atlanta.
