Bioware : Dragon Age Adult Coloring Book before purchasing it in order to gage whether or not it would be worth my time, and all praised Dragon Age Adult Coloring Book:

25 of 25 people found the following review helpful. 45 Beautiful Designs based on Dragon Age – printed one side of the page By iiiireader[[VIDEOID:4fc95e38df9e63ac830dbe0a0fe9e639]] Attached to this review, I will post a silent, full book flip-through video. I will also attach a few sample photos as well. This is a gorgeous illustrated coloring book with iconic scenes from Dragon Age. The designs are quite detailed and some contain intricate and small areas to color. You don't have to be a fan of the series to absolutely enjoy coloring these beautiful designs but fans will almost certainly want to add this book to their collection (we bought two, one for me and one for my husband.) The designs include the characters I hoped to see from the game. The illustrations are by a group of artists (Pablo Churin, Juan Frigeri, Gabriel Guzman, Fernando Melek and Facundo Percio.) Their styles mesh well and provide a well-thought out and beautifully put together “story”. The designs are on the front of the page with quotes on the back of the page. The quote applicable to a design is on the opposite facing page to the design (left hand with design on the right hand side.) This is what I found while coloring in this book and testing my coloring medium on the paper: 45 beautifully illustrated Dragon Age inspired Designs Designs printed on one side of the page with a quote on the back of the page Paper is heavyweight, white, slightly rough and non-perforated Glue Binding Designs merge into the binding area could get the book to lay fairly flat for coloring by breaking/creasing the spine. Alcohol-based markers bleed through the page. If you use this medium, I suggest using a blotter page to keep ink from seeping through. I use card stock but

a couple of pages of paper should work as well. Water-based markers, India ink pens and gel pens do not bleed through the page. Some do leave light, colorful shadows on the back of the page. Colored pencils worked well with this paper. It has good "tooth" and allowed for applying layers of the same color to get rich pigment. I could also layer multiple colors well and I could blend both oil and wax based pencils easily with a pencil style blending stick. 3 of 3 people found the following review helpful. Awesomely perfect
By Customer
For someone who likes to color for relaxation, and loves Dragon Age, this is perfect! I was pleasantly surprised by the spread each main character gets from Origins to Inquisition and quotes from the characters too! The pages are thicker than your normal coloringbook and smooth, so I think markers could be used potentially, but pages would probably warp with too much liquid like watercolor or ink. My coloring method of choice are prismacolor pencils. Great artwork! Thanks, Bioware!
0 of 0 people found the following review helpful. Nostalgia pays off
By Rhonda L. B.
I can't tell you how excited I was to see that there was a colorbook based on this RPG series! I glanced over the reviews available and pulled the trigger almost immediately. I haven't colored in this yet so I will update my review after I have but I can say that I am not at all unhappy with the quality of this book. It is printed on good paper, the images take me straight back to all three Dragon Age games and has left me wanting to play them all over again. For nostalgia alone I was happy but I think the images are going to be a lot of fun to color!

The beautiful worlds of Dragon Age are yours to explore in this amazing new coloring book, including forty-five fantastic original black-and-white illustrations of unforgettable characters and iconic scenes from the entire award-winning trilogy--each specifically crafted to be colored in any way that you choose! Thrill to the exploits of Alistair, Morrigan, Varric, and the rest, and adventure alongside them on your own journey of creativity! Whether you're a casual fan of fantasy, or the Herald of Andraste themselves, the Dragon Age Adult Coloring Book is not to be missed! The official Dragon Age coloring book! Color your favorite moments taken straight from the game! Includes forty-five pieces of beautifully detailed black and white artwork! A must-have for any Dragon Age fan! Printed on high-quality stock with a lay-flat binding!
