A pocket-sized sketchbook filled with 500 inspirational illustrations featuring a variety of doodles. The best way to learn to draw is to DRAW! And this little book is going to help you do just that. Filled with 500 inspiring drawings of all your favorite sea creatures, this cute chunky volume features plenty of room for sketching your own versions of amazing ocean animals. From jellyfish, starfish, sea lion, and lobster, Draw 500 Amazing Sea Creatures is perfect for illustrators, cartoonists, doodlers, and anyone who loves to sketch. This is not a step-by-step technique book--rather, the doodles in this volume are simplified, modernized and reduced to the most basic elements, offering simple approachable illustrations to inspire you. This all-in-one pocket-sized sketchbook lets you draw right on the pages

making it easy to keep all of your creations at hand. Get out your favorite drawing tools and see what you can create!

About the Author Trina Dalziel is represented by illustration agency Lilla Rogers Studio. She has worked as a freelance illustrator for over seventeen years. Originally from the North of Scotland, she grew up on a tomato farm. In her teens and twenties she spent time living in the Netherlands, Copenhagen, Helsinki, and Paris. She earned a degree in illustration, and at the post-graduate level studied twentieth-century art and design history, which has all fed into her love of art, design, nature, animals, Scandinavia and European cities. She lives in London where she greatly appreciates the access to exhibitions, galleries, and museums which fuel her inspiration and research. www.trinadalziel.com
