Everyone has an XPerhaps you've had an unfaithful lover, an ex-friend, or a horrible boss. In this book, we call that person "X," because "asinine, egotistical imbecile" would take up too much space. Every page in Draw with a Vengeance includes a drawing prompt or activity so you can doodle, cut out, tear, or otherwise destroy the object of your aversion. The message here is simple: Don't do bad things to bad people. Draw bad things—and let karma handle the rest.

About the AuthorHelen Wrath draws inspiration from past narcissistic boyfriends, irrational bosses, passive-aggressive roommates, and relatives who constantly remind her that she'd look so pretty if she'd just do something about her hair—but she's not naming any names. She lives in southeast Michigan.
