**Victoria James, Lyle Railsback : Drink Pink: A Celebration of Ros** before purchasing it in order to gage whether or not it would be worth my time, and all praised Drink Pink: A Celebration of Ros:

0 of 0 people found the following review helpful. perfect for a wine enthusiast with just enough knowledge to ...By Brian Bushaw This is a little trifle of a book, perfect for a wine enthusiast with just enough knowledge to be dangerous. There are some fascinating tidbits about the history of Rose here and Victoria James' voice is perfect in this blushing ode to our favorite pink drink. The recipes seem tacked on, but the body of the book is worth the price of admission. 0 of 0 people found the following review helpful. Fantastic Book! Unpretentious and informative By S. A. Walker Fantastic Book! Unpretentious and informative. Shows the versatility of rose wine and provides yummy cocktail and food recipes. The illustrations are a surprising and welcome addition to this wonderful book! 0 of 0 people found the following review helpful. Fun little book By Marianne M Trotter Great little book filled with info and recipes. Bought 3, gave two for gifts. Everyone seems to love it!

Combining delightful stories with whimsical and clever illustrations, *Drink Pink* is a clever, captivating, and unpretentious look at rosé for novices and connoisseurs alike. For years, rosé has lived a quiet life as the not-red and not-white wine, but in the last five years this vintage has taken its rightful place in the spotlight. Use this book as a guide to rosé's myriad of pleasures. Comprehensive and complete with both esoteric knowledge and entirely practical cocktails and dinner party recipes, this is the perfect book to give your girlfriend or keep to display for yourself!

**Part 1: Rosé Is Old School** Learn about the three-thousand-year history of rosé, and see exactly why it took so long for this wine to saturate American culture.

**Part 2: Producing Pink Juice** Discover the crafting methods that set rosé apart from other wines, and get a crash course in the significance of saignée, skin contact, blending, and more!

**Part 3: People and Places** Study the different producers of rosé and start talking like a true sommelier.

**Part 4: Why and How to Drink Pink** Hear professional foodies and wine experts sing praises about pink wine, and

**Part 5: Recipes** Enjoy a myriad of rosé-related recipes. Here, the options are endless! Cocktail recipes starring rosé; appetizer, entree, and side dishes that include or pair well with rosé; classy desserts and the best types of rosé to accent them. There's no better way to get in the pink than with *Drink Pink*!

I remember when wine connoisseurs couldn't be in the same room with a bottle of rosé. Now rosé is not only acceptable -- it's hip! Rosé deserves its own book, especially one written with such style, a book that can be enjoyed by beginner and professional alike. (Kermit Lynch, author of *ADVENTURES ON THE WINE ROUTE* and owner of Kermit Lynch Wine Merchant) James gives us a long-overdue book on rosé... Well done. (Ed McCarthy, author of the *WINE FOR DUMMIES* series) James captures the twists and turns, highs and lows and sheer accidents that led to rosé's place in the world today. The book is studded with morsels that will delight both the everyday drinker and the career sommelier... You'll never look at pink wine the same again! (Leiti Hsu, show host, *WORD OF MOUTH*, Writer, Town Country) Wine wunderkind Victoria James takes readers through a refreshing and delightful journey through all the delights of drinking pink. A long-overdue book on rosé... Well done. (Bianca Bosker, author of *CORK DORK*) Written by sommelier Victoria James with beautiful illustrations by Lyle Railsback, *Drink Pink* covers the history, process of making, and cultural appeal of rosé and argues that drinkers should enjoy it all year round (were in). (Bust.com) James, the sommelier at Piora in New York, offers a crisp introduction . . . The book is studded with illustrations by Lyle Railsback... a gifted artist. (The Street) In her new book... James celebrates the revival of critical and consumer interest in these wines leaving the dark days of inexpensive and over-sweetened brands like Lancers, and the white zinfandel apocalypse of the 80s, far behind . . . You'll learn all the essentials. (Forbes.com) Ramp up your rosé IQ. (Food Wine) Especially with Lyle Railsback's pretty illustrations, sommelier Victoria James's charming book is as enticing as the drink that inspired it. (Coastal Livings 50 Best Books for the Beach This Summer) Nothing is more liberating than relaxing into what you love without so much of a care as to what others may think. That's the gist behind James's unabashed elation for rosé and her rationalization as to why it deserves a heck of a lot more respect than it gets. (Leites Culinaria) The 128-page book is full of wonderful illustrations . . . It's possibly the most unpretentious wine book I've ever read (and I've read a lot) a book for the most passionate rosé enthusiasts and beginner wine lovers alike. (New Jersey Monthly) It's a quick-reading little reference with whimsical illustrations by Lyle Railsback. (Milwaukee Journal Sentinel) . . . new wine book to guide your interest in drinking pink. (Washington Post) She's [Victoria James] made it her mission to convince even the snobbiest wine drinkers that rosé is worth exploring. In *Drink Pink*, she shares where it came from, how it's made, why it's so great and how to pick the good stuff. (Parade.com) From the Back Cover Rosé all day? Yes, please. Award-winning sommelier Victoria James invites you into the world of one of the most misunderstood wines in this beautifully illustrated guide to rosé. For years, rosé has struggled to achieve a serious place at the dinner table, but that has recently changed. In this enchanting book, author, sommelier, and restaurant professional Victoria James offers a spirited look at what makes this pink drink so appealing, its history, how and where it's made, what bottles to try (and avoid), as well as recipes and food pairings by famous chefs, sommeliers, and foodies, all with whimsical and clever full-color illustrations throughout. A captivating and unpretentious look at rosé for novices and connoisseurs alike, *Drink Pink* is sure to charm anyone into drinking pink all year long.

**About the Author** Victoria James (author) has worked in restaurants since she was thirteen. She fell in love with wine and when she was twenty-one became certified as a sommelier. She has worked at some of the most prestigious restaurants in New York City including Marea and Aureole. She is now the Wine Director at Piora in the West Village. Victoria's name has appeared on many notable lists: Zagat's "30 Under 30," Wine Enthusiast's "40 Under 40," Forbes' "10 Innovators Under 30 Shaking Up the New York Food Scene," Wine Spirits' "Best New Sommeliers," and The Back Label declared her "New York's Youngest Sommelier." She travels as much as possible to vineyards around the world and writes about the stories behind the wines. In her free time, she makes Amaro from foraged plants. Currently, she lives in New York City with her sister Laura, her boyfriend Lyle, and her dog Rocco.
