Dominic Bliss : Drinking Games: One book, 25 games, just add booze before purchasing it in order to gage whether or not it would be worth my time, and all praised Drinking Games: One book, 25 games, just add booze:

1 of 1 people found the following review helpful. A generous 2 stars. By Kevin I'm giving this book a 2 because I was entirely disappointed with its content. I expected some original games, or at least some funny anecdotes or commentary, but the whole book was a short, uninspiring list of games you've already heard of. "Oh great, this book tried to teach me how to play beer pong." The games are ranked from 1-5 in skill, and there mostly 1 and 2 skill games that are just...bad. Or unoriginal. The book itself came pretty scratched up. I was going to merit the book on it's good

appearance, something you might be able to get away with on a coffee table or something, but I remembered it seems pretty trashy unless you're in a frat. If you're looking to be excited to play a new game you've never played before, this is not the book to purchase. 0 of 0 people found the following review helpful. Three Stars By Robert Cattafi III Good ideas for drinking games, but nothing to special. 0 of 0 people found the following review helpful. Five Stars By Sharon Lots of fun games!

The government tries to tell us that drinking to excess is bad for us. If that's the case then why is it so much fun? And the quickest way to achieve drunken nirvana... Drinking Games. The problem with playing drinking games is if it's a successful event, you won't remember the rules by the end of it. That's where this helpful little guide comes in. Outlining the rules for 25 favourite games with classic card games like Ring of Fire, skill-based ones including Beer Pong, through to timed challenges such as Edward Ciderhands and Power Hour it's the essential item to bring any party to life... apart from alcohol, of course!

About the Author Dominic Bliss is an author, journalist, and editor who writes on mens interest, sport, and travel for various publications including GQ, Financial Times, International Tennis Magazine, and Running Fitness. The author is based in London, UK.
