Looking for a laugh at a spoiled young rich boy's expense? This deliciously mischievous volume is worth its weight in gold. Combining sharp wit and a deadpan style, this witty collection of more than 100 droll pranks harkens back to a simpler, and sillier, time. Featuring spirited black-and-white illustrations that depict the poking and prodding of nave young chaps, Droll Pranks for Rich Boys will make even the most refined reader fall into thrillingly unsuitable fits of laughter.
