Gene Stone : Duck!: The Dick Cheney Survival Bible before purchasing it in order to gage whether or not it would be worth my time, and all praised Duck!: The Dick Cheney Survival Bible:

0 of 0 people found the following review helpful. Great GiftBy PJJMy liberal sister in law loved this. But she has a sense of humor so it won't work for all liberals.0 of 0 people found the following review helpful. Funny stuff!By Kindle CustomerYou don't have to be anti-Bush or pro-Kerry or Cheney-paranoid or Clinton-comforted for this one to crack you up. Quick read, good rhythm, like a well-paced stage show. You smile, you grin, you laugh, you catch your

breath, and then you do it all again. Some solid jokes, then a couple of very inventive lists, balanced with a bit of history, followed by genius cartoonists, and then you do it all again. It's like not getting off of a good roller-coaster. Much, much more of the unexpected, and barely a touch of the expected. It's a mess out there, this refreshes and pauses like a well-deserved martini. (Yet I still don't "get" haiku, even here where I enjoyed everything else.) 2 of 6 people found the following review helpful. **Lame!** By Loyd Eskildson "Duck" is a weak attempt at humor/political satire. One would do considerably better to instead watch "The Daily Show" on Comedy Central. Topics covered include The V.P.'s Duties (mainly hang around; wish that was all Cheney did), Important Moments in V.P. History (eg. Spiro Agnew's resignation), Steps to Take if You're Shot in the Face (actual medical advice - like I'm interested), V.P.s Worse Than Dick Cheney (eg. in Zimbabwe, North Korea), 4 Steps to Impeachment (know the meaning of the word, know your Constitution, House, Senate), People Who Hate Dick Cheney More Than You (eg. Amb. Joseph Wilson, Rep. John Murtha), and Archetypical Dick Cheney Quotes ("We'll be greeted as liberators," "I had other priorities in the '60s than military service," "Go f**k yourself" - to Senator Leahy during discussion of Halliburton profits).

Whether you like it or not, Dick Cheney is our president. Whoops, we mean vice president. Now, just in time for hunting season, here's an indispensable guide fully loaded with tips for surviving these tortuous Cheney years, including • 6 actions to take if you think someone is spying on you • 4 recipes for cooking quail • 4 public relations steps to take if you've shot someone • 9 things Halliburton is under investigation for • 6 ways to impeach a vice president • 7 things to do if your children exhibit Cheney-like behavior (other than send them hunting with the vice president) • 9 ways to profit financially from Cheney So take heart that we're in the last throes, if you will, of the Cheney reign. Remember, the best kind of leader by far is a lame duck!
