Hilarious!By Critical ConsumerThe book gave me just about what I expected: a comical light read.And it described so many scenarios that all of us working stiffs are faced with on a routine basis! RojasCrappy book.Every, short paragraph of a

story, is followed by "I'm Dumbemployed". A lot of it is just people complaining about normal stuff. 0 of 0 people found the following review helpful. Definitely a hit! By K. Gallagher Brought it to work and our HR person saw it, asked to borrow it and hasn't returned it yet. Apparently they have been using the quotes in their weekly HR group meetings!
