**Stephen Craig Zinck : Dying Was Easy - Laughter, Tears, Anger and Cancer** before purchasing it in order to gage whether or not it would be worth my time, and all praised Dying Was Easy - Laughter, Tears, Anger and Cancer:

Dying Was Easy is a candid, heartfelt and irreverent insight into one man's ongoing battles with terminal cancer. The anger. The tears. The laughter. A testament to stubborn resilience and an optimistic outlook, this book may not convince you that cancer can be beaten, but you will understand that it is something that you can live with. A must

read for patients and caregivers, *Dying Was Easy* will provide a look into one of those areas of life we all dread - facing death before your time. Hopefully, it will give you the peace-of-mind to handle whatever life will throw your way.
