**Derek Bloomfield, Christie Bloomfield : Earl the Grump: If Every Dog Has His Day, Then Where the Hell Is Mine?** before purchasing it in order to gage whether or not it would be worth my time, and all praised Earl the Grump: If Every Dog Has His Day, Then Where the Hell Is Mine?:

a gift). One copy was in great condition when it got here. The second copy was very poorly bound. The pages were glued in crooked and stick out beyond the cover and the book was hard to open. Luckily I was able to return it and get another copy really quickly. The replacement copy was in good condition. So this book would have gotten a 5 star rating, but the book being cheaply bound knocks it down to 4 stars. 2 of 2 people found the following review helpful. Even Oprah would love this masterpiece. By Turner Mountain Farms This will be a Best Seller Earl is awesome. A great read for all ages. The only let down was it didn't smell like peanut butter. 0 of 0 people found the following review helpful. Where are you Earl? By Gail Ha Chu I was a big fan of Earl's facebook page and missed his silly posts. Not sure why his owner's suddenly stopped posting without any explanation. The book is cute and sassy. Miss you Earl.

Earl has a bone to pick. He doesn't want you to love him. All Earl wants is to be left in peace to eat, scratch, and sleep. But he now has to put up with being a global internet sensation. Please just leave him alone and stop being so utterly stupid and annoying.

About the Author Earl is the world's grumpiest, most bad-tempered dog.
