The illustrations match the verses perfectly. All done by a really good author in brilliant humour. Makes you smile and sometimes laugh aloud. 0 of 0 people found the following review helpful. Five Stars By Meyriel Jill edge Great! 0 of 0 people found the following review helpful. A Great Deal of Nonsense By Zita Denholm Fun to read, fun to look at, but not much fun if you are looking for performable pieces -

stick with 'The Owl and the Pussycat'.

A CD with audio and multimedia tracks is included in Lear's classic collection, celebrating the 150th anniversary of its publication. The book with 50 of Lear's illustrated limericks and the addition of modern multimedia lends to a fine gift package. -- Midwest Book
