RobertsonFolio does a great job with classics for both children and adults, and these silly rhymes and illustrations are sure to reach even the deepest funny bones. I've always believed in investing in well-made books which family members can pass along to generations of readers, creating warm moments and memories as we share them with children and grandchildren. The recipe for "Gosky Patties" and the onomatopoeia of "Mr. and Mrs. Spikky Sparrow" are high among my favorites!
