JussaumeFantastic \*\*\*\*\* 23 Oct 2008 (updated 23 Oct 2008)by Christina R Jussaume"Embroidered Limericks" was a fantastic collection of limericks. It arrived today and I read the entire book chuckling as the different poems offered so much laughter and amusement to me. There are many different poet guests that add to their collection and makes the book quite a unique treat, a fine gift for someone, a fine gift for anyone that enjoys mirth. I know I will pick this up when I need to lighten up a bit

from a hard day. Kudos to the both of you on a great collection. It is a treasure to add to anyones poetry collection.
