David Malki ! : Emperor of the Food Chain (Wondermark) before purchasing it in order to gage whether or not it would be worth my time, and all praised Emperor of the Food Chain (Wondermark):

0 of 0 people found the following review helpful. Another great collection from Malki!By Z. OriWonderful animals and characters that make Malki's strip engaging, humorous and enlightening. Beautifully hard bound, it is a treasure destined to be coveted by your heirs who may not be able to wait for your natural demise.

The latest collection of Wondermark comics! Celebrated comicswright David Malki ! forges twenty-first-century humor and weirdness from nineteenth-century illustrations with a stylish, sardonic, surreal, and steampunk flair.

The final volume of the Wondermark books (so far, I'm very sure there will be more) is completely packed to the proverbial gills with stuff, including a miniature book written upside down in the bottom margin. Also as a side note this one was published by TopatoCo instead of Dark Horse. Not sure for the reason in the publisher change, but the book quality is as good if not better than with Dark Horse. --Adriane on GoodreadsAbout the AuthorDavid Malki ! is nine hundred feet tall.
