Sacred geometrical symbols are considered by many ancient traditions as tools for awakening. As such, mandalas have the ability to raise one's levels of consciousness and awareness. In this adult coloring book, artist and meditation teacher Alina Shalev provides over 80 mandalas through which people can enter into a natural state of relaxation by engaging in an activity that is both fun and enlightening. Focusing on such areas as light, love, peace, bliss, connection, joy, abundance, sacredness, awareness, happiness, and nature, these original, hand-drawn mandalas are perfect for contemplation and meditation.
