Great for a gift, keep it around for when you are blue or need inspirationBy CustomerThis is a great book to get insight into the inner workings of some of your favorite celebrities, artists, world leaders, etc...Some quips are just funny but most are insightful. Whenever I feel a little down, I like to read this again, particularly Jack, Rodney, George or Mohammed.3 of 3 people found the following review helpful. Great advice, great bookBy Lee HendersonMaybe I just have a short attention span, but I really love books like this that you can

read in bite-sized pieces. You know that the interviewers and editors spent tons of time whittling down the interviews to the most fascinating and memorable details, and it shows. (And I've actually used some of the advice in this book, and the other one that's like it.) Really good stuff. Recommended.

From Esquire's popular "What I've Learned" column comes a stunning collection of candid interviews with 64 actors, directors, musicians, economists, politicians, and other leaders. Every one of the impressive figures profiled here offers insights that reveal the humanity behind the famous face. Their words—often unguarded, open, and vulnerable—appear exactly as they were spoken, and the dramatic portraits accompanying each interview showcase photography's brightest talents: Brigitte Lacombe, Bruce Davidson, Peggy Sirota, and Nigel Parry, among others. The lessons these larger-than-life personalities convey are funny, inspirational, very down-to-earth—and always captivating. The profiles include: Robert Altman - George Carlin - George Clooney - Tony Curtis - Ray Charles - Johnny Depp - Snoop Dogg - Faye Dunaway - Clint Eastwood - Eminem - Michael J. Fox - Joe Frazier - John Kenneth Galbraith - Mikhail Gorbachev - Woody Harrelson - Dustin Hoffman - Jesse Jackson - Ted Kennedy - Elmore Leonard - Jerry Lewis - Arthur Miller - Keith Richards - Oliver Stone - Gore Vidal - Ted Williams - and many others!
