I couldn't help but laugh out loud reading this. It made me happy to realize I'm not the only one who is struggling to figure out this family thing! It's refreshing to

read about so many things I can relate to. I'm looking forward to reading more from this author.0 of 0 people found the following review helpful. This guy is great, and says what most of us are thinkingBy Mike DeWeeseThis guy is great, and says what most of us are thinking. Great short chapters for an easy read to pick you up at the end of a long day. Just read a couple pages for a good laugh before going back to the grind. Highly recommended.0 of 0 people found the following review helpful. Five StarsBy ronald hollandIt is good and he told about other authors that are great.

WHAT READERS ARE SAYING ABOUT ETC. GUY: "Eric Miller's stories have more than once made me spit coffee from my nose from laughing. His humor ranges from subtle and self-effacing, to ribald. He writes what many of us think but don't dare say." -Jeffrey Bergeron/Biff America, author of Steep, Deep and Dyslexic and columnist for Backcountry Magazine and the Summit Daily News "Eric Miller's parental observations are amusing and provocative. He stumbles through his role as a husband and father to two teenage daughters, but manages to press on." -Marne Larsen, Editor, Growing Up Chico Magazine "Eric Miller is an aging athlete that has more luck figuring out what's happening on a hockey rink than in the minds of his wife and teenage daughters." -Q. Bryce Randle, Editor, Hockey Player Magazine "Eric Miller, former North State Voices columnist and Etc. Guy blogger, has the knack of observing daily, mundane, events and spinning them into amusing stories. He can be edgy, but most guys are." -David Little, Editor, Chico Enterprise-Record Visit www.etcguy.com for more information
