**Guy Delisle : Even More Bad Parenting Advice** before purchasing it in order to gage whether or not it would be worth my time, and all praised Even More Bad Parenting Advice:

By Mondongo You don't have to know Delisle and it's not necessary even to have read the previous installment -- but you do have to share his cynicism and his ability to laugh at everything. Delisle makes compelling stories about being a parent without receiving a manual -- about how to be a kid with your kids, with everything that comes with it. Don't take it as a serious book, EVER. But it's a good laugh for us in the parent trenches. 0 of 0 people found the following review helpful. Amusing read By Customer Written in a cartoon style with only a few panels per page, it is a very quick

read. An amusing book for a reasonable price - I only wish it was longer for even more laughs!0 of 0 people found the following review helpful. too bad is so shortBy CustomerVery enjoyable ... too bad is so short.

ONE OF THE GUARDIAN'S BEST GRAPHIC NOVELS OF 2014!Ever wanted to know how to be awarded the Best Dad in the Whole World? Guy Delisle has all the answers for you in these lighthearted, entertaining tales of parental mishaps and practical jokes gone wrong. Whether he's helping remove a pesky, wobbly, but not quite loose tooth or trying to win at hide-and-seek, his antics will resonate with every parent who has wanted to give a sarcastic answer to a funny question from their kid. Even More Bad Parenting Advice marks Delisle's second foray into the world of offering bad advice to parents, and a second opportunity to express the minor frustrations and many joys of parenting. His skillful hand at illustration and ironic way with words, which helped to popularize his travelogues about daily life in faraway places, are just as much the stars here as he or his children are. His sense of comic timing shines through in these simply told stories; with their lively flow, a change in facial expression or a few words can serve as the punch line. Even More Bad Parenting Advice celebrates the reality that parenting isn't all first steps and gold-starred report cards; it's stinky diapers and never-ending drives to the grocery store, too.

“Even More Bad Parenting Advice . . . does what it says on the tin, sending up Delisle's inadequacies as a father in a series of beady vignettes.” ?The Guardian Best Graphic Novels of 2014“Guy Delisle brings the many funny, heartwarming, profound and sometimes downright surreal moments of parenting to life in [Even More Bad Parenting Advice], this second comic treatise on raising children. Delisle's slightly neurotic tendencies come through to hilarious effect, from getting into a long-winded and totally inappropriate conversation about night-crawling psychopaths to ruminating on the dangers of piñatas.” ?CBC Books Holiday Gift Guide“Even More Bad Parenting Advice is a great read for anyone who had that father or is that father. The stories are quick, yet well paced with moments of tension built through repeated cartoons. The jokes are sly and subtle so that they come alive more and more with every read, making the book something readers will pick up again and again for a smile.” ?BlogcriticsAbout the AuthorGuy Delisle spent ten years, mostly in Europe, working in animation, which allowed him to learn about movement and drawing, and he is now focusing on cartooning. He lives in Montpellier, France, with his wife and two children.
