Milton Jones : Even More Concise 10 Second Sermons before purchasing it in order to gage whether or not it would be worth my time, and all praised Even More Concise 10 Second Sermons:

0 of 0 people found the following review helpful. Just as good as the first bookBy margaretlI enjoyed this collection as much as the first book of Milton Jones. It is funny, but makes some very pertinent, points. The church needs to be able to laugh at itself and to see it self as others see it. Milton Jones makes that possible. The hilarious follow-up to award-winning comedian Milton Jones' bestselling '10 Second Sermons', providing punchy and surreal one-liners on God, faith and life.

'King of the surreal one-liners.'--The Times'Sultan of the Surreal.'--The Guardian'He's fast, absurd and very funny.'--Radio Times
