Jacqueline Susann : Every Night Josephine before purchasing it in order to gage whether or not it would be worth my time, and all praised Every Night Josephine:

2 of 2 people found the following review helpful. Very enjoyableBy L. ArnoldI first read this 35 years ago. It made a big enough impression on me that I immediately remembered it when I saw it on . That's rare. I read a great deal, and to remember a book I read as a teenager doesn't happen often. I bought it and am very glad I did. The book does a great job showing the bond between a dog and their owner. It is very much a book of its time (the early sixties through early 70's). It's a very charming read. It begins with her wish for a dog, buying the puppy, convincing her husband it was a good idea and the subsequent years living with what is basically a furry child. Quite humorous in places, touching in others. If you're a dog lover, you'll find something here to relate to.1 of 1 people found the following review helpful. Makes you a Dog Lover if you aren't one alreadyBy Our Favorite CustomerMakes you a Dog Lover if you aren't one already! Page turner! Entertaining! Gives you a peek into the lives of the rich who live in hotels...lolol...not apartments! High-rise New York City living and style with Movie Star and Central Park anecdotes!0 of 0 people found the following review helpful. just like I expectedBy LenehFabulous, just like I expected!
