Michael P. Spradlin : Every Zombie Eats Somebody Sometime: A Book of Zombie Love Songs before purchasing it in order to gage whether or not it would be worth my time, and all praised Every Zombie Eats Somebody Sometime: A Book of Zombie Love Songs:

3 of 3 people found the following review helpful. Coffeechug Book Review - www.coffeeforthebrain.blogspot.com By A. Maurer There is not much to this book. Basically, it is a book of famous songs with the lyrics changed and modified

to be all about zombies. And you know what.....I thought it was great.I was going to go through and talk about my favorite song, but I found that hard to do. If you are caught up in the current zombie craze, then this will be right up your alley. I don't know if it is worth 10 bucks, but to read it at a bookstore with a cup of coffee or checking it out from the library(if available) is a must.Some examplesSweet Caroline is Eat CarolineI Want To Hold Your Hand is I Want To Eat Your HandYou've Lost That Loving Feeling is You've Lost That Living Feeling(We found a brain...a brain...a brain you don't find everyday)Stupid lyrics, but I love them. There is nothing wrong with enjoying a little zombie music lyrics. This was a nice way to end a long day and just chuckle to myself and think, "Aaron, you are such a dork!".3 of 3 people found the following review helpful. Eh...not as interesting a concept as it soundsBy Courtney ClementsI got this on the cheap for my Kindle (I seem to think it was free for a short time) because it sounded funny. Not really so much. Essentially, all the author has done is take familiar songs and change the lyrics to be about zombie romance instead of non-zombie romance. Unfortunately, sometimes it just falls flat. A lot of times it falls flat. Okay, mostly, it just falls completely flat. I saw as I was coming in to write this review that the Kindle price was 8.99. Don't bother. Seriously. Do not bother. You want an interesting and irreverent zombie read that's worth the price? Go for *Breathers: A Zombie's Lament* or, even better, Christopher Moore's *The Stupidest Angel: A Heartwarming Tale of Christmas Terror*.1 of 1 people found the following review helpful. buy earplugs too!By OpalluI gave this to an older teen and the whole bunch kept singing the songs! A cheap book made an evenings entertainment for several hard to please kids, and they are still singing them....

From the author and illustrator of the twisted New York Times bestselling Christmas classic, *It's Beginning to Look a Lot Like Zombies*, comes a heart-devouring collection of Zombie love songs, *Every Zombie Eats Somebody Sometime*. Michael P. Spradlin and Jeff Weigel put their warped mindsand talentstogether once again to come up with a hilarious compendium for the ever-hungry aficionados of World War Z, *Pride and Prejudice and Zombies*, and the movies *Zombieland* and *Shaun of the Dead*. Forget the bleeding heart vampires and werewolves of the *Twilight* series*Every Zombie Eats Somebody Sometime* proves beyond the shadow of a doubt that these stumbling, decaying, flesh eaters are the true undead romantics!

From the Back CoverZombies have feelings, too. . . Sure, losing a limb doesnt faze them in the slightest,but a zombies rotting heart can still break justlike anybody elses. Yes, its true: Zombies need loving!And this soul-stirring collection of more than two dozen classiclove songs is just the ticket for zombie romantics everywhere. About the AuthorMichael P. Spradlin is the author of the New York Times bestseller *It's Beginning to Look a Lot Like Zombies!*, *Every Zombie Eats Somebody Sometime*, and *Jack and Jill Went Up to Kill*, as well as several children's picture books, the novels and manga volumes in the *Spy Goddess* series, and the *Youngest Templar* novels. He lives in Michigan with his family.
