read. Great for fans of pop culture and Hollywood stories. Carrie seems to be a force of nature in every positive way. She takes you on a wild ride! Highly recommend. 2 of 2 people found the following review helpful. Great read! By Customer Really enjoying the book! I'm not much of an avid reader and having watched Carrie do her interviews I felt this book would compliment the experiences...and it has. Looking forward to the audio version as I understand you get to hear the actual interviews themselves! I agree cursing opens doors in conversations and she has done this exceptionally well. Highly recommend! 2 of 2 people found the following review helpful. Great book By Robert B. The book is interesting shocking and funny

She's been called vulgar, crass, sophomoric, offensive and dirty...and that was just in one article. But there's so much more to talk show host, internet entrepreneur, and original YouTube sensation, Carrie Keagan. You may know her as host, writer, and producer of VH1's hit morning show Big Morning Buzz Live with Carrie Keagan, but before Judd Apatow made being dirty mainstream, she was pioneering the R-rated, A-List celebrity digital video to an audience of tens of millions on one of the first and most successful YouTube networks ever, No Good TV. She's turned swearing into an art-form and invited all of Hollywood to join in. Some women f*ck their way to the top but she "f*cked" her way to the top. Her naughty interviews with Hollywood's elite are the stuff of legend, earning her the nickname "Barbara Walters on Acid." She's gone toe-to-toe with virtually every celebrity in the world, and she's been taking notes. Get ready for all the juicy, behind-the-scenes stories from the biggest stars as she shares her journey from being a bullied kid from Buffalo to Hollywood's most fearless host. After 8,000 interviews, 2 billion views online, her own TV show, and countless appearances including her upcoming season on Celebrity Apprentice, she's got crazy stories to tell. Everybody Curses, I Swear! is the quintessential book on the wonderful world of potty-mouthed depravity inside Hollywood! Everybody Curses, I Swear! Features stories and commentaries from Hollywood's A-listers, including: George Clooney, Matt Damon, Ben Affleck, Sandra Bullock, Jack Black, Emma Stone, Jennifer Aniston, Adam Sandler, Cameron Diaz, George Lucas, Chris Pratt, Chris Evans, Anthony Mackie, James Cameron, Jonah Hill, Judd Apatow, Will Smith, Heath Ledger, Denzel Washington, Robert Downey, Jr., Ben Stiller, Andy Samberg, Jimmy Fallon, Queen Latifah, Jackie Collins, Steve Carell, Justin Timberlake, Mike Myers, Sacha Baron Cohen, Paul Walker, Robin Williams, Jennifer Lawrence, Quentin Tarantino, Russell Brand, Mark Wahlberg, Sylvester Stallone, Shailene Woodley, Seth Rogen, Will Ferrell, Kristen Stewart, Robert Pattinson.

"An imaginative piece of writing as unique as the writer herself! The ultimate survivor, Carrie humorously travels through the landmines of the showbiz world and comes out a Champion!" -Sylvester Stallone "I'm f*cking impressed!" -Michael Strahan "She's [f*cking] batshit crazy!" -Seth Rogen on Carrie Keagan "That girl is a walking magic trick." -Tom Lennon on Carrie Keagan "This book would make Andrew Dice Clay blush like a motherf*cker." -Jeffrey Ross "Carrie Keagan is one of the hardest working women I know. She's like that one aunt who has no filter and makes Thanksgiving uncomfortable - only Carrie's hot, and you'll only be uncomfortable from laughing so hard." -Iliza Shlesinger "I kindly suggest you buy this f*ckin' book." -Judah Friedlander "Carrie takes the reader on a wild ride behind the scenes and along the way reminds us that spitting out our own personal curses might just make us 'way happier than we probably should be.'" -Dr. Drew Pinsky "If, like me, the phrase 'That really sucks ass' makes you chuckle every time - Carrie's your girl!" -Michael Sheen About the Author Carrie Keagan has been called bawdy, crass, sophomoric, offensive, and dirty...and that was just in one article.
