Want more fascinating facts about poop? We've got a new book! Check out Everybody Poops 10 Million Pounds: Astounding Fecal Facts from a Day in the City from author Deuce Flanagan on Amazon today. ONCE UPON A TIME when you were little, you learned that everyone poops. But did you ever discover how much? Well, sit down on that cold porcelain throne and get ready to laugh your butt off at the most amazing, hilarious, need-to-go facts on the one thing everyone does--but nobody talks about. Filled to the rim with piles of fascinating dirty fun, this illustrated kids' book for grown-ups answers all the questions you never thought to ask: •How do astronauts poop in space? •Where does poop go after you flush? •Why can I see the corn but not the chicken? •Can I light my poop on fire?

•Who invented the first flushing toilet? •What's the poop on Michael Jackson, Elvis and John Wayne?

About the Author Deuce Flanagan is an avid student of bathroom humor, he became increasingly interested in the facts about poop during a trip to Sicily, on which he had persistent and painful intestinal problems. He currently lives in Oakland, California. David R. Dudley is a freelance illustrator whose clients include Oxford University Press, the University of California at Berkeley, and the Darwin Awards. He lives in Berkeley, California with his wife and daughter.
