Only for Those Who Are Intelligent and Get It By Reverend Mrs. Mother These are fantastic, satirical, political cartoons that show a great understanding of the day's issues and the people who are involved. The artwork is truly phenomenal in its detail. The artist makes a serious, resourced subject palatable with hilarious humor in cartoon form. I would be crying if it were not for laughing. 1 of 1 people found the following review helpful. Ramirez is without peer By John Dorrough On the political cartoon landscape, Michael Ramirez casts the longest and "brightest" shadow. Not only is his mind as clear and adept at capturing issues at-a-glance, his art work never ceases to amaze me. Many editorial cartoonists seem to be capable thinking, but appear to be lacking in genuine artistic ability. They produce glorified stick figures that require a lot of help from the viewer to fully capture the artist's desired result. Not so with Ramirez. He splashes the page with wit and wisdom in full color, with exquisite detail. Most often working on a 24-hour turn-around, the work he produces is simply amazing. 1 of 1 people found the following review helpful. Medicinal Laughter By Thom Ritzema Michael Ramirez does it again. The conservative political cartoonist hits the ball out of the park with insightful jabs at the current administration. Get ready to laugh.

In Everyone Has the Right to My Opinion, Michael Ramirez, the internationally known editorial cartoonist for Investor's Business Daily, offers a comprehensive collection of his award-winning cartoons, accompanied by an

introduction to the images highlighted throughout the book. Each cartoon shows that a picture is worth a thousand words and transforms the news of the day into eye-catching, provocative, and hilarious images that draw people into the democratic process. His commentary on everything from the economy and markets to politics and international affairs offers a unique perspective on today's issues.

From the Inside Flap An editorial cartoon is not just a funny picture, says two-time Pulitzer Prize winner Michael Ramirez. It is a powerful instrument of journalism, sometimes sharp and refined, its message cutting quickly to the point, and at other times, blunt and overpowering, seizing the readers' attention with its dark imagery. In *Everyone Has the Right to My Opinion*, Michael Ramirez, the internationally known editorial cartoonist for *Investor's Business Daily* who has been making headlines and stirring up controversy since 1983, offers a comprehensive collection of his award-winning cartoons, accompanied by an introduction to the images highlighted throughout the book. Each cartoon shows that a picture is worth a thousand words and transforms the news of the day into eye-catching, provocative, and hilarious images that draw people into the democratic process. In a world of textual information, Ramirez combines an encyclopedic knowledge of the news with a captivating drawing style to create consistently outstanding and highly incisive satirical cartoons. His commentary on everything from the economy and markets to politics and international affairs offers a unique perspective on today's issues, particularly during presidential election years. They take a humorously insightful look at the world around us, making readers laugh while informing them on the issues of our times. Some of these cartoons may make you laugh. Some will make you cringe. But all of them will make you think. Throughout *Everyone Has the Right to My Opinion*, Ramirez's artistic skill, biting humor, and penetrating analysis shine through and shed light on what's really going on in our world today.

From the Back Cover Praise for *Everyone Has the Right to My Opinion* "Ramirez lances the Left with the best weapon of all. Humor. As Ronald Reagan said, 'Just laugh at them.' Mike is second only to me in showing how it's done." —Rush Limbaugh, radio host "Michael Ramirez says more in one cartoon than most talking heads say in a full day. Plus, Ramirez is hilarious." —Bill O'Reilly, anchor, Fox News Channel "The quickest way to end all debate with liberals is to pull out a cartoon by Michael Ramirez. Michael has an uncanny ability to cut through all the spin and expose the truth in a single, often hilarious, picture." —Sean Hannity, anchor, Fox News Channel "In today's political environment where liberals hide behind the label of 'progressive' and moderates pose as 'conservatives,' Michael Ramirez strips them of their disguises. His powerful points of view are conveyed in an incomparable illustrative style. No other editorial cartoonist today can match the majesty and wit of Michael Ramirez's cartoons. With his razor-sharp eye and potent pen, Ramirez takes no prisoners. Liberals, bureaucrats, and imposters beware." —Ann Coulter, six-time New York Times bestselling author "As a columnist who works with words, I strongly reject the familiar axiom that a picture is worth a thousand words. Unless, of course, they are the marvelous pictures that Michael Ramirez draws. They are sometimes worth a thousand columns. And—this really is unfair—he gets to add his always well-chosen words to his pictures. See, for example, page 26, where a public school official lays down the law to a clergyman: 'You can't say prayers during graduation ceremonies. But if you print them on condoms, we would be happy to distribute them.' What fun." —George F. Will, nationally syndicated columnist "Editorial cartoonists are able to convey in a simple, yet vivid and powerful message what the columnist often needs 1,000 words to do. The best cartoons—funny or sobering and serious—are like an unexpected punch to the gut. The brilliance of a great editorial cartoon is its simplicity in carrying great substance. If editorial cartooning were baseball, Michael Ramirez would be Babe Ruth. If you like really cutting-edge political humor and want to laugh and cry at the foibles of America's political figures, this book is for you." —Mike Huckabee, Governor of Arkansas, 1996–2007, GOP Presidential Candidate 2008 "I'm a longtime *Investor's Business Daily* reader, so I know and appreciate Michael's work firsthand. While some editorial cartoonists focus on the punch line and forget the point, Michael seamlessly mixes humor with hard-hitting journalism. His two Pulitzers are well deserved." —Larry Kudlow, host, CNBC's *Kudlow Company*
