Review of Everyone's Crazy Except You and me...By Roy Murry, AuthorEveryone's Crazy ExceptYou and Me...And I'm Not SoSure About YouLionelReviewed by Author Roy MurryThis book is enjoyable. Well, it depends if the subjects intoned within matters to you. LOL, Lionel, gotcha. Yes, the snippets of humor and personal banter are hilarious and short which the reader will love ala twenty-first century.After reading a topic or issue stated, one can put the book down, think and mull over the item, read over, laugh again, and then move on, because of the length of each. From explaining important issues as 'Hate Crimes' to mundane 'Words Fail Me' and the subject of 'Big Foot,' you will be glued to the page.It's fast pace and informative whether you are a Conservative or not. Lionel writes about themes we dealt with in the interesting time in our lives before 2008. I know he would communicate different motifs today after listening to his videos on Youtube.com of the political circus we are living through in 2016.I hope he does put to pen and paper this era as he has his past. It would be just as funny or funnier. Can't wait, Mr. Author.0 of 0 people found the following review helpful. Four StarsBy jerome wesolowskiI liked it no book report from me0 of 0 people found the following review helpful. Lionel's the bestBy Christopher ArnoldExcellent book

Everyone's Crazy Here... In his twenty years on the radio, the mononymous Lionel ("one name, like God," as he is fond of saying) has forged his reputation as an irreverent, ribald, take-no-prisoners analyst of culture, politics, and the world at large. Now America's favorite contrarian takes to the page with this hilarious user's guide to our country and culture. In Everyone's Crazy Except You and Me ... And I'm Not So Sure About You, Lionel offers a collection of hilarious and insightful observations on life, liberty, and the pursuit of alien life forms. From the sublime (Why do so many of us believe in God?) to the ridiculous (Why did he run over his sister's hair with the vacuum cleaner?), Lionel takes his readers on a riotous ride through his world, and ours. A former prosecutor, Lionel examines our greatest national oxymoron--criminal justice. He hates hate crimes, and argues against drug criminalization and the Son of Sam laws. He's also an indefatigable defender of the First Amendment who nevertheless believes that men shouldn't drink mojitos or wear socks with sandals. And lest you think he just picks on the Right, rest assured that Lionel has plenty to say about Lefties, Centrists, and even barristas. No subject is off limits here. No group is immune--not conservatives, not women, and especially not American Homo sapiens. Consider these imponderables:Why today's acrobatic professional wrestler is inferior to the beer-bellied hulk of the sixtiesWhy Hazmat suits are worn more than once, but not wedding gownsWhy women can't tell jokesWhy you should never drink anything you can't spell.An infectious, irresistible, and possibly persuasive book that is bound to entertain and inform, Everyone's Crazy Except You and Me ... And I'm Not So Sure About You is the perfect read for anyone who questions the state of our national mental health. Void where prohibited by law.

About the AuthorLionel, aka Michael Lebron, is a nationally syndicated radio talk show host based in New York City.
