Dog lovers in the mood for a little canine humor, and a heaping helping of animal appreciation, will delight in this charming little book. After all, we know that every Fido and Rover is wise beyond his years, articulate with his tail, generous with a smile, and above all, overwhelmingly affectionate. So what can we learn from man's best friend? Every page shares a tasty tidbit of doggy knowledge and an engaging cartoon. The memorable pearls of wisdom range from "Never try to race on a waxed hardwood floor" to "When all else fails, nap." Find out what being a dog really means, discover six ways to make a dog truly happy, and take a Puppy Love Pop Quiz.
