**DC Ward : Everything is Racist: A Politically Incorrect Collection of Politics-of-Race Inspired Political Cartoons from Politics, USA** before purchasing it in order to gage whether or not it would be worth my time, and all praised Everything is Racist: A Politically Incorrect Collection of Politics-of-Race Inspired Political Cartoons from Politics, USA:

From the Black Lives Matter movement to liberal white guilt and white privilege to pandering democratic politicians, Everything is Racist ridicules the Progressive Left's Politics-of-Race ideology... because apparently in this, the current year, everything is racist. \*Trigger Warning: May contain potentially offensive material.
