**Dr. I. M. Astatist : Everything Obama Knows about Life, Success, and Happiness in America** before purchasing it in order to gage whether or not it would be worth my time, and all praised Everything Obama Knows about Life, Success, and Happiness in America:

0 of 0 people found the following review helpful. Great read for any Obama fanBy CustomerI gave this book to one of

my friends who is a avid Obama supporter. Even he laughed when he started flipping through the pages. This book says so much in a very simplistic format. Makes a great gift for any Obama supporter.

A must have item for serious Obama supporters and Democrats everywhere. This tome delves into the substantive reasoning creating the vision of hope and change to transform America. Makes a great gift for liberals and conservatives alike. **\*\*Warning\*\*** Do NOT read this book unless you have a sense of humor. Serious injury could occur. (Yes, it's a joke!! The book is blank. Makes a great gag gift for all your liberal democrat friends. Have a laugh at their expense.)

About the AuthorDr. I. M. Astatist is an accomplished author and academic as well as an enthusiastic supporter of the Obama vision of hope and change. He studied abroad for several years and considers himself a citizen of the world. He finally settled down to write and teach environmental and social studies at the university level. He is a tireless advocate for animal rights, social equality and increasing government oversight to improve our lives.
