The gags in this book runs the gamut, ranging from jokes about Kant's Catagorical Imperative to brain-eating zombies. It's one part cultural and critique and one part snickering beer humor, the best of both worlds neatly melded together in a great time. The book is a fun way to spend an hour and the website is perfect for when the mid-afternoon doldrums hit you at the office. And don't forget Rosenberg's earlier opus, Behold the Power of Ignorance, a later collection of strips.

Evil Chickens Don't Kiss -- Goats: Volume III is a collection of comic strips from the popular online comic strip Goats. The book features all the strips from the year 1999, including fan faves such as Halloweenies and Zombie Madness, Extreme Brewing (and the Twix Saga, pt.1), Dungeons and Hamsters, the Bobbins crossover, and much more.
