**Larry Krackle : Evil Fish** before purchasing it in order to gage whether or not it would be worth my time, and all praised Evil Fish:

Evil Fish contains funny fish stories of Larry's adventures as he imitates Captain Ahab in his quest for mini-Moby Dicks. Killer Whales, sharks, and muskies attempt to drown him, but he escapes in the nick of time. He outwits every

finned fiend and catches most fish species in the Pacific Northwest.
