The sample did not even give any of the pages, just the "to somebody" part. Don't waste your money on this book.0 of 0 people found the following review helpful. Two StarsBy Roberta Andersondisappointed1 of 1 people found the following review helpful. Mostly mean, not funnyBy 3131These are mostly the mean kind of comics, not the funny kind of comics. I didn't like it nearly as well as I thought I would. Other people will probably like it for exactly the reason that I didn't like it.

What's black-and-white and evil all over? Get ready to find out the terrifying truth.... Penguins. They're everywhere-gracing movie screens, Coke ads, and merchandise. But don't let those happy feet fool you. When they're not surfing or marching bravely across the Antarctic, penguins have a whole other agenda going on. And it isn't pretty. In Evil Penguins, Elia Anie captures the antics of cute little birds who have gone over to the dark side. If you thought the worst a penguin could do is make you feel guilty about global warming, think again. Here are cartoons of penguins leading revolts, giving SpongeBob a swirly, causing plagues, clubbing baby seals, killing Inuits while dressed as ninjas, and wreaking havoc in dozens of other hysterically appalling ways. Both penguin lovers and those who know that evil can come in even the cuddliest packages will appreciate these bad birds.
