**Ryan W. Metlen : Ewe** before purchasing it in order to gage whether or not it would be worth my time, and all praised Ewe:

1 of 1 people found the following review helpful. Clever and cute and fun- who could ask for more?By Cynthia L. HarrisWhat a great book! It really is Spirituality 101, without ANY preaching. It retells the 23rd Psalm, everybody's favorite, with humor and drawings that make you smile and- it even rhymes! (sort of). I gave this book to my 42 year old daughter, and the next time I saw it, it was being carried around by my 7 year old grandson. Even the five year old liked it. If you want a fresh and refreshing version of "The Lord is my Shepard" for ALL ages, this is it!1 of 1 people found the following review helpful. Terrific book for all agesBy JWewe is probably one of the best books I've used in 30 years of preschool education; both the little lamb himself and the story presentation make teaching this lesson a walk in the park! Approaching the story with excellent graphics a quirky sense of humor that touches both adults and children, reaching anyone who sits down to read it. THANK YOU!0 of 0 people found the following review helpful. Melton is underratedBy GraceI own both of Melton's adorable (and cleverly Christ-centered) books. The illustrations

are neat, book is easy to read for kids, and the content is winning!

A retelling of the age-old parable of the Good Shepherd, with witty illustrations and warm, wise humor.<sup>47</sup> pen and ink illustrations throughout
