Fritz Fitzgerald : Excuse Me Waiter, but Theres a Flyswatter in My Soup before purchasing it in order to gage whether or not it would be worth my time, and all praised Excuse Me Waiter, but Theres a Flyswatter in My Soup:

1 of 1 people found the following review helpful. This book is fantastic!By Christopher J. WelterThis is a fantastic book! I highly recommend one of these books in every home. There are poems for people of all ages. Don't just buy one buy two as it will make a great gift.2 of 2 people found the following review helpful. I loved the bookBy CustomerVery humorous! I loved the book. Took me back to my childhood! Brought back many funny times and a few tears too! Recommend to anyone with kids or the kid within them.0 of 0 people found the following review

helpful. Humor At Its Best!By CaptainReadsThis collection of short stories and poems will make you laugh, cry, and everything in between. The light-hearted mood of the book is exactly what you need when you need an escape.This book is literally a book for everyone. Anyone, of any age, would love this and enjoy Fritz's light hearted and funny nature.

Fritz Fitzgerald loves to laugh at life almost as much as he loves to laugh at himself. In his collection of endearingly humorous poems, Fitzgerald balances important topics like spirituality, love, friendship, honesty, and even mortality with equally significant and relatable issues like eating until your stomach explodes, waking up naked in a department store, and peeing in the snow. Fitzgerald, who has learned the hard way not to drink pretty paints, writes for a diverse audience that includes those with a full head of small hairs or only one giant hair; people that silently chew their gum or people that loudly gum their chew; and, most importantly, for anyone who is alive and breathing. In laugh-out-loud poems, Fitzgerald shares leftovers advice, reflects on why one should never take a cherry slushy on a roller coaster, and contemplates how to analyze Martian anatomy somewhere over Kansas when normal goes right out the window. Excuse Me Waiter, but There's a Flyswatter in My Soup offers a compilation of funny poems that proves, once and for all, that black jellybeans are outcasts.
