By Customer It has been a true joy using this devotional to add creativity to my spiritual reflection time. I really enjoy the wide variety of activities and introspective bible verses. I just feel happy when I finish a section. I would highly recommend adding this to your spiritual journey.

This creative devotional explores 10 different passages of the Bible. For each focal verse there is an original-art coloring page, a guided doodling page, note-taking, and prayer journaling. The book is designed to encourage meditation, Bible verse memorization, and a deep enjoyment of your devotional time with God.
