I think every single cartoon has taken a long time to do and to think about. I love the little comments about the cartoons and how the idea was developed or who had contributed in developing it. 0 of 0 people found the following review helpful. A great compilation. By MPCA great compilation. I purchased this as a Kindle product, but read it on my color tablet - better clarity and color for the Sunday strips. 0 of 0 people found the following review helpful. Funniest Zits treasury yet! By Cindy This has got to be the funniest treasury of all and that's saying something. Laughed at every single strip! Also, love the comments under the strips by the creators... neat to see how they think of ideas and read their funny comments.

Like a steamy, melted cheesy slice of pizza, Extra Cheesy Zits serves up a warm and satisfying serving of a hilarious slice of life with teens! Teenagers are unpredictable creatures. They don't seem to follow a schedule, observe rules (of the road or basic logic), but every once in a while, they make a surprising amount of sense. Extra Cheesy Zits is here to shed light on the always confounding, often amusing experience of parenting teens. Join the Duncan family - Connie, Walt, and Jeremy - as they grapple with modern technology, confront homework deadlines, and learn to bridge the cultural divide between parents and teenagers. Extra Cheesy Zits offers a light-hearted yet insightful look into the multifaceted lives of modern teens and their families, complemented by annotations from the creators. From mood swings to the perils of sharing a car, this collection broaches many familiar topics with humor and compassion.
