JohnsonIf you have a quirky sense of humor, and don't take life to seriously then you'll love this book! I don't know where he gets his ideas...but they are so funny! A humorous black-and-white photographic galleryBy Midwest Book ReviewExtreme(ly Dumb) Sports: The Duckboy Guide is a humorous black-and-white photographic gallery inspired by the "Duckboy" line of postcards and other products. Actual live models demonstrating silly activities such as "table tennis" (played with a tennis ball, a tennis court, and two actual tables) make Extreme(ly Dumb) Sports a chuckle-inducing feast for the funnybone. Lighthearted essays round out the delightful gallery, recommended as a giftbook for sports lovers who also love to laugh.

ANY SPORT WORTH DOING TO THE EXTREME IS WORTH DOING EXTREMELY DUMB! This book will show you how! From the popular Duckboy® line of postcards and other products comes this hilarious photographic journey through the world of sport, real and fanciful. Laugh about Horizontal Bungee Jumping, Aerobic Snowmobiling, Body Bowling, Snowshoe Ballet, and much more.While dumb sports have been with us forever, in

recent years the movement has been towards Extremely Dumb sports. Why do something difficult and dangerous, and come off looking merely silly, when with a little extra effort you can demonstrate transcendent stupidity?

"Whether you call them duckboys, duckgirls or rednecks, these are the people that assure us ours is not the only crazy family out there. Thanks for all of the laughs."-Jeff Foxworthy"Duckboys, weird and hilarious as they are, somehow capture their own special reality."-Patrick F. McManus"Paul Stanton is a man with a non-stop sense of humor. ...a quirky mix of humorous photos, yarns, and comic captions...which range from the mild chuckle to falling-out-of-your-chair, rolling-on-the-floor kind of helpless laughter."-Midwest of books, reviewing The Duckboy Way
