**Bradley W. Rasch : Extreme Trivia: The Chicago Professional Sports Trivia They Do Not Want You to Know:
With a Foreword by Mordecai "Three Fingers" Brown**

before purchasing it in order to gauge whether or not it would be worth my time, and all praised Extreme Trivia: The Chicago Professional Sports Trivia They Do Not Want You to Know: With a Foreword by Mordecai "Three Fingers" Brown:

1 of 1 people found the following review helpful. This explains it all!By Sandra FolgersAs a fellow long-suffering Chicago fan who has endured much trauma as our various teams have snatched defeat from the jaws of victory, this handy "reference" explains our follies. Who knew that such a quagmire of behind the scenes, hair-brained decisions have ultimately resulted in our plights? If only the author had brought forth this expose sooner! Unfortunately, I imagine it takes years of specialized training to successfully "channel" 3 Finger Brown, and get to the bottom of these mysteries. Thank you, Mr. Rasch, for bringing to light these unknown "facts". Who could have guessed that Chet Walker and ex-felon Governor Walker were cut from the same cloth? Thanks for allowing us the ability to know understand the Dead Seas Scrolls of Chicago Sports! What fun!2 of 2 people found the following review helpful. Fun readBy Timothy D. GehringA tongue and cheek approach to Chicago sports past, present, and future. The author takes a perfect blend of fact, fiction, and sarcasm to create a whimsical (albeit not entirely factual) look at the successes, failures, and notable personalities that are a part of the Chicagoland sports culture. The book is written in short (sometimes less than a page per chapter) snippets that make it the perfect comic relief for a sports fan short on time. It also lends itself to being a great coffee table book for people looking for a quick read, laugh and conversation starter.0 of 0 people found the following review helpful. For the true Chicago Sports FanBy Adrienne BlockMy husband got a big kick out of this book. Although, it is a small volume, he enjoyed it very much. I bought another copy to put away for my brother's birthday gift. I think any Chicago Sports Fan will like this book.

A humorous look at Chicago professional sports venues and personalities by way of previously unknown (and untrue) trivia.

About the AuthorCollege professor, author, and long time Chicago sports fan, Brad Rasch shares some "trivia" about Chicago professional sports.
