Also mentions "lust" has a few images of "devils" which I feel are inappropriate for a children's book. A shame because the idea of the book is a very good one.1 of 1 people found the following review helpful. Confusing but funBy P. K. ColeMy grand children didn't get it at first ages 4, 7 and 10. But now it has become a source of great entertainment. Learning to read and this book will bring a challenge. Adults and children alike this book is fun.0 of 0 people found the following review helpful. Great

Eye Rhymes is a collection of 47 humorous verses based on words that look as if they should rhyme but don't (bomb, comb, tomb), illustrated with colorful, cartoon-like drawings. A sound track is available of two well-known actors, Alec Baldwin and Blythe Danner, reciting the verses. For children of all ages from 9 to 99.
