Bob A. N. Grypants : F*ck You, 2016 before purchasing it in order to gage whether or not it would be worth my time, and all praised F*ck You, 2016:

0 of 0 people found the following review helpful. Save your \$By BuggydogVery soft on content about the year. Not a lot of thought put in to the memorials of the year, which was pretty big news across the globe. Some of the tragedies

were also very briefly described. I hated 2016 and had a lot of bad stuff happen personally as well as all of the public chaos. I wish the writers would have taken a little more time and dug-in to provide more meaningful content. 1 of 2 people found the following review helpful. Excellent ReadBy Glenn LongHugely enjoyable and reflective of sadness and hope we've yet to encounter. Gos Speed 2017. One can only hope this year will be more like waiting for Godot.

In the year that David Bowie died, Brexit shocked us, 'Hiddleswift' was a thing, and Trump trumped, we are all asking ourselves: was 2016 really the worst year ever? Find out in this special (i.e. hastily put together) commemorative book. Inside this cathartic memento of the annus shitabulus that was 2016, you'll find a hilarious guide to everything that went wrong and the few - very few - things that actually went right. For example:- How was it that politics completely jumped the shark this year? - From Bowie to Prince, Ali to Cohen, we celebrate the many extraordinary artists who died rather than see Trump become President - Compare 2016 with other terrible years in history - is it really the very worst? - Make sense of Manbuns, Pokemon Go, Hygge, Nigel Farage and other nonsense - With the aid of an electron microscope we hunt for something good that actually happened - Feel relieved about all the bad things that didn't occur - yet (there's always 2017, folks!)Featuring some really badly drawn illustrations, this comic compendium will soothe your troubled soul—before you throw it in the bin and prepare your mightily hungover self to face 2017. It has to be better, right?

In the year that David Bowie died, Brexit shocked us, 'Hiddleswift' was a thing and Trump trumped, we are all asking ourselves was 2016 really the worst year ever? Find out in this special commemorative, badly illustrated book. * from the publisher's description *About the AuthorBob A. N. Grypants is the author of one book: F**k You, 2016.
