Sam Dixon : FK This Shit** before purchasing it in order to gage whether or not it would be worth my time, and all praised F**K This Shit:

A collection of angry quotations, just the thing when you're feeling a little steamed "I wander about hating everything I behold." —Lord Byron "The truth will set you free. But first, it will piss you off." —Gloria Steinem "I shit on the chest of Fun." —Hunter S. Thompson When life is getting on top of you and you've nowhere left to turn, there's no better remedy than some loud hostility and swearing. Let off some steam with this belligerent collection of crabby quotations and irate outbursts.

About the Author Sam Dixon is the author of Don't Let the B*stards Get you Down and Life's a B*tch and Then You Die.
