Already sent out a few to my friends cause who doesn't like getting a letter that's NOT a bill? Super funny and witty for those who don't mind the swearing, cause there's a bit of it, cats are A holes, that's why.0 of 0 people found the following review helpful. Got a pillow? He'll steal it. Eating a turkey sandwich? HEY—hand it over! Meet the original grumpy cat. He's codependent, potty-mouthed, and pissed off . . . with the litter box, the pen, the couch, and (most of all) YOU! This cranky kitty's bad attitude and existential woes—captured in a series of hysterical postcards—will ring true to anyone who's ever dealt with a disgruntled feline. Cat lovers (and haters) will LOL at this totally true look at the trials and tribulations of living with Mother Nature's most irritable miracle.
