Tabz Jones : Faces of Fantasy Greyscale Coloring Book before purchasing it in order to gage whether or not it would be worth my time, and all praised Faces of Fantasy Greyscale Coloring Book:

4 of 4 people found the following review helpful. Faces!!By V. EllisAgain huge fan of Tabz. I like to see pictures in reviews because I want to get a feel for the book so I have included a few in my review. I can see in a way, the previous review about the eyes, some may look different, but I am also a gamer and some of these pictures look like what you would see in a game and I like the idea of begin able to bring that to life. I really enjoy her work!0 of 0 people found the following review helpful. Two StarsBy KSVNot what I expected, I should have researched better0 of 0 people found the following review helpful. Three StarsBy klbNo exactly the type of greyscale I was looking for.

Twenty five gorgeous greyscale portraits featuring fantasy characters up close and personal. These portraits were

originally rendered in high definition color, now they have been greyscaled for you to color.
