Morgan Fitzsimons : Fae Garden Colouring Book: Art Therapy Collection (Volume 2) before purchasing it in order to gage whether or not it would be worth my time, and all praised Fae Garden Colouring Book: Art Therapy Collection (Volume 2):

7 of 7 people found the following review helpful. Beautiful!By nicoleI took a chance on this book since there no reviews or pictures posted. I'm really glad I did though! Morgan Fitzsimon's artwork is really beautiful. My only compliants are that the pages are double-sided the paper is on the thin side. Typical create space paper. This book would've been 5 stars easily if it weren't for those 2 things. I will definitely be buying her other books.0 of 1 people found the following review helpful. Love the characters!By Karen LoydLove the flowers and charaters!

Welcome to The Fae Garden Art Therapy Colouring Book by International Award Winning Artist Morgan Fitzsimons. The realm of Faerie is anywhere and everywhere ranging from cultivated garden to field and hedge and the wild

woodland in this intricate collection we hope you enjoy painting or colouring.
