**failblog.org community** : **Fail Harder: Ridiculous Illustrations of Epic Fails** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Fail Harder: Ridiculous Illustrations of Epic Fails:

0 of 0 people found the following review helpful. Fail!By BOSSThis book is full of pictures that are guaranteed to provide a few chuckles, but that's about it. Nothing spectacular. Many of the pictures are such poor quality that it is very difficult to spot why the picture made the book. I bought this book for my dad who is a DIY fixer-upper and he found a few of the "failures" to be quite ingenious! In all, this book is good for a few cheap laughs but will not hold its own as a classic, library pride, or even a coffee table centerpiece. It ended up as the toilet reader in about an hour.1 of 1 people found the following review helpful. It's OKBy Mihail MihaylovPros: better layout than the previous book Fail Nation. This format is landscape instead of portrait, so allows for bigger pictures.Cons: on every page there is a set of icons that don't seem to make sense and are not related to the pictures at all. I find them confusing... Also, there are no titles on the pictures. On the web page I usually find titles funny, so it would have been cool to include them in the book.0 of 0 people found the following review helpful. Five StarsBy Rob PellFun book. Just silly stuff!

A visual romp through the world of epic fails, Fail Harder offers 200 fresh examples of what NOT to do in every environment as based on the hugely successful (88 million page views per month) website failblog.org.FAIl Harder follows the hilarious best-seller Fail Nation to showcase 200 original full-color photos of world-wide FAILS based on the popular website failblog.org, the most visited member of the Cheezburger Network.So what qualifies as a FAIL? How about a nursery outfitted with a gun rack hanging over the baby's crib? Perhaps the equation, "E=MC3" written on a classroom's write/erase board. What about a trifecta of beauty parlor, chain saw repair, and nightclub housed inside an all-in-one-stop shop? Classic FAILs like these are presented in more than 15 different categories, including At Home, In A Relationship, On the Job, and With Your Pets.If you must FAIL, FAIL Harder.

About the Author?Launched in January 2008, failblog.org receives 85 million page views a month and is the most popular website in the Cheezburger Network, which collectively owns 50 of the web's largest and funniest sites,

receiving 360 million page views per month. Chief executive officer and founder, Ben Huh, is a former journalist turned dot com entrepreneur who has a knack for nailing the zeitgeist. He has been credited with bringing Internet memes to the mainstream and popularizing Internet culture through his knowledge of memes, viral content, and crowd sourcing. He resides in Seattle, Washington.
