**Brigid Ashwood : Fairy Fantasy Grayscale Coloring Book** before purchasing it in order to gage whether or not it would be worth my time, and all praised Fairy Fantasy Grayscale Coloring Book:

Relax and de-stress coloring 20 intricate and beautifully shaded fairy and fantasy images by artist Brigid Ashwood. 20 single-sided art images for you to color, with a second repeat set of the images so you can experiment, or share with a friend. 40 total coloring pages! Perfect for coloring with fine tip markers, pastels or colored pencils. Great for adults and kids alike! NOTE: A few of the images in this coloring book are on the darker side, and are best colored with lighter markers to create an antique toned look.
