Thomas Wasper : Famous Killers For Early Learners before purchasing it in order to gage whether or not it would be worth my time, and all praised Famous Killers For Early Learners:

1 of 1 people found the following review helpful. Fun book!By NikoIt was really interesting to read this and the activity pages are a blast, Ill be getting some for my friends

An illustrated "children's" book featuring biographies of history's most fascinating murderers, serial killers and assassins as portrayed in nursery rhymes. Written in the style of a children's book complete with fun illustrations, nursery rhymes, and activities pages, Famous Killers For Early Learners is geared toward young adults. Especially those with a love of true crime and an offbeat sense of humor. Each killer's biography is presented with humor along

with insightful information.
