Coloring book to delve your senses into a fantasy world, and emerge with a heightened imagination. "Fantasia" An Adult Coloring Book is highly detailed and is a coloring book not like any other you've seen! 13 Hand picked characters from her full length book to bring you a concise and exciting introductory to her style. She wants to offer you the most enjoyable experience possible: All single sided pages so that you never have to worry about yourmarkers bleeding through to a design on the back. But to be extracareful please place a blank sheet of cardstock between each page forextra protection. 60lb medium weight paper All designs are hand drawn with love. Characters and fantasy beasts such as dragons, angels, chimeras, harpies, gargoyles, and fauns. 13 characters in all!

"The sheer artistry and shading of these drawings in Fantasia An Adult Coloring Book are remarkable and outstanding. The range of colors and imagination that you could apply to these creatures from mythology is unlimited as you could make them anything you want them to be - you're not limited to a preconceived notion. Any lover of medieval fantasy would love to get their hands on this coloring book." - ed by Lori A. Moore for Readers' FavoriteFrom the AuthorI hope you enjoy Fantasia- The Concise Edition! I tried to include a good well rounded concise view into my style and a good sampling of characters from the full length book. I made this book single sided because I know how important it is to a colorist to be able to color with markers. You won't have to worry about bleed through to pages and damaging designs underneath in this book!All designs are created with love, and breathed into life using my Faber Castell Pitt artist pens on vellum bristol paper. Each character has a life of their own and they're dying to share their experience with you. Come join them and go on an adventure into Fantasia the land of fantasy!From the Back CoverThere is a fantasy adventure waiting for you inside! DRAGONS falling inlove with MERMAIDS, flirty Fauns, woodland creatures... Odin and his mighty steed Sleipnir. And many more fantastical creatures all longing to be brought to life with YOUR COLOR!
